---

**PRESIDENT/CHIEF EXECUTIVE OFFICER**

Tim McKee, President and CEO of Timco Construction, has been instrumental in establishing company policies and procedures, overseeing construction operations, and assisting in marketing and design-build services.

With over 25 years in the field of commercial construction, Tim brings to the team his broad range of experience and knowledge of the industry. By paying close attention to precision building while managing budgetary and scheduling constraints, Tim assures that each of our projects are completed successfully. Timco's goal has always been not only to meet, but also to exceed our client's expectations. These objectives have helped Tim to forge numerous long-term client relationships and to be considered a leader in the health care and commercial construction industries.
